

# WALKING SAFARI - LAND OF THE LIVING DINOSAURS

We offer interactive, curriculum-linked guided walks with one of our experienced Rangers, designed to enhance and consolidate students' learning. Join us on a journey through our Land of the Living Dinosaurs!

## EYFS, KS1 AND KS2

Join us on a journey through time and help us unravel the mysteries of the animals that roamed Earth over 65 million years ago! This interactive session tours our Land of The Living Dinosaurs, showing how the carnivores and herbivores fought to survive. One of our brave Rangers will lead the group and protect you from the terrifying t-rex, but they're always looking for willing volunteers to help!

## KS3, KS4 AND FE

To understand how species are threatened today, we must first consider the run-up to the catastrophic event that took place 65 million years ago. How did the dinosaurs adapt to an ever-changing environment and what caused their extinction? Our knowledgeable Ranger will guide you through our Land of the Living Dinosaurs where you can observe evolution first-hand.
