

WALKING SAFARI – AFRICAN VILLAGE

We offer interactive, curriculum-linked guided walks with one of our experienced Rangers, designed to enhance and consolidate students' learning. Join us on a journey through African Village!

EYFS, KS1 AND KS2

Step into our African Village and experience life in one of the hardest places on Earth. Find out why leaping lemurs need protecting, how meerkats work as a team and explore a typical village hut alongside one of our experienced Rangers.

KS3, KS4 AND FE

Visit our themed African Village and become immersed in African life as our experienced Ranger guides you past several mobs of meerkats and through our Lemur Woods. These animals fight to survive in some of the harshest conditions on Earth; this is a fantastic way to learn about the threats they are now facing and how you can help to protect their future.
